WINEMAKERS DINNERS 2009

“The 2009 Winemakers Dinners were a series of exclusive events during which guests had the opportunity to meet some of the most gifted winemakers in the world and sample their award-winning wines. These are wines were expertly paired with innovative creations by international master chefs together with some chefs in the BVI. We are pleased that over \$110,000 in gross revenue was raised from the 2009 Winemakers Dinners even though the economic climate was very challenging. However the combination of great food and wonderful wine served in unique settings in the British Virgin Islands persuaded both visitors and residents to support this event,” said Mr. George.

Martin Dindos, owner of OHMS, a company that imports premium white wines from Germany’s Mosel Valley and fine champagnes and a founding sponsor, helped convince many of the winemakers to donate rare and exclusive wines for the event and the silent wine auctions, and fly to BVI for the dinners. Wine and food pairings were made by Richard Grosche, wine journalist from German wine magazine Weinwelt and Manager of the international wine academy MUNDUS vini. OHMS - which stands for On Her Majesty Services - also donated the fine Czech porcelain and glasses for the seven course place settings each evening.
